

Report of Doctoral Comprehensive Examinations and Approval of the Ph.D. Dissertation Prospectus

ARIZONA STATE UNIVERSITY

SCHOOL OF ELECTRICAL, COMPUTER AND ENERGY ENGINEERING

Instructions and Process.

1. The student must have an approved Plan of Study and approved committee.
2. The student completes Part I, enters the dates in Part II and types names in Part III.
3. Student brings the form to the exam.
4. The committee completes Part III by signing the form and indicating their votes of Passed or Failed.
5. Student submits form to academic unit Graduate Advisor.
6. The academic unit Graduate Program Chair completes Part IV by signing the form, confirming the majority vote of the committee.
7. All test results, including failure in any one of the required examinations, should be reported. Failure in the comprehensive exam is considered final unless the student petitions for a re-examination, the committee and the Graduate Program Chair make the recommendation and the Graduate College approves the re-examination.
8. The Graduate Advisor enters the results for Graduate College review.
9. Candidacy. The Graduate College advances student to Candidacy.
