ACCELERATED ESD/MSE DEGREE IN ELECTRICAL ENGINEERING APPLICATION AND PLAN OF STUDY (POS)
ARIZONA STATE UNIVERSITY

Eligibility and BSE Requirements for 4+1
- 3.25 cumulative or major GPA and at least 90 credits completed required in order to be eligible for the 4+1 program
- 15 credits of Technical Electives (TE) required (a maximum of 3 classes can be shared with the MSE program)
- Reserved credits for Master's degree – these are credits you take during your BSE that are only used towards your MSE degree (limited to 12 hours minus the amount of shared hours that you are using. You cannot split a class between reserved and shared hours).

EEE Degree Requirements: 10 classes required; 30 hours minimum
- A minimum of 5 EEE courses of which at least 3 EEE 500 level courses (not including EEE 590 or EEE 591).
- A maximum of 4 courses (combined) from the following groups: any 2 400-level, EEE 591, EEE 590, and FSE 500-level courses
- A maximum of 1 Reading and Conference (EEE 590) or FSE 500-level course
- At least 4 area of specialization courses and it is highly recommended that you take at least 2 courses outside of your area of specialization. These courses can be within EE or other pre-approved courses outside of EE.

Application and Review Process:
- Speak to the 4+1 coordinator about the program and to initiate the 4+1 application
- Speak to a faculty member in your area of specialization about what classes to select, and any other questions you might have (ex: careers in that field of study)
- The 4+1 Coordinator will review your application once complete, let you know if any edits need to be made, and will contact you to submit the online application through Graduate Admissions (Application fee applies. Proof of English Proficiency might be required if you are an international student)
- Let the 4+1 Coordinator know that you have submitted the online application and adjust your schedule accordingly to register for the proper courses.

By signing the next page, I (the student) acknowledge the following:
- I understand that I must maintain a 3.0 GPA (at least B average) in all my graduate classes.
- I understand that I will be admitted to the MSE program, which requires me to complete the seminar portfolio. More information about the portfolio can be found here: https://ecee.engineering.asu.edu/wp-content/uploads/sites/29/2023/01/EE-MSE-Portfolio-instructions.pdf
- I understand that I must maintain continuous enrollment, which means that I will be registered every fall or spring semester while I am a 4+1 student. This is a Graduate College Policy, and more information can be found here: https://graduate.asu.edu/key-policies
- I understand that I must submit my interactive plan of study (iPOS) in my first semester of my graduate program.

Revised 9/10/2023

ACCELERATED ESD/MSE DEGREE IN ELECTRICAL ENGINEERING APPLICATION AND PLAN OF STUDY (POS)
ARIZONA STATE UNIVERSITY

Name:	ASU ID #	ASU Email:
GPA:	Number of credits completed:	Expected term/year for BSE Graduation: Fall 2025
Phone Number:	Specialization Area for MSE: Signal Processing and Communications	

List of Shared Courses
(Maximum 3 classes can be shared with MSE)

Course	Hours	Semester/Yr	Shared
EEE 419/591	3	Spring 25	Yes
EEE 407/591	4	Fall 25	Yes

Reserved for Master's
(Maximum 12 credit hours minus the number of shared hours)

Course	Hours	Semester/Yr
EEE 508	4	Fall 25

Master's 10 classes required along with Seminar Portfolio
(Include maximum 12 credit hours total of shared + reserved classes)

Course	Hours	Semester/Yr	Shared	Reserved
1. EEE 491/591	3	Spring 25	Yes	
2. EEE 407/591	4	Fall 25	Yes	
3. EEE 508	4	Fall 25		Yes
4. EEE 511	3	Spring 26		
5. EEE 510	3	Spring 26		
6. EEE 560	3	Spring 26		
7. EEE 591	3	Summer 26		
8. EEE 598- Game theory	3	Fall 26		
9. EEE 550	3	Fall 26		
10. EEE 555	3	Fall 26
